To Whom It May Concern:

It is my honor to write this Letter of Recommendation for Mr. Alan Frenkel and his company Alan Frenkel Auction & Realty.

Camaraderie Foundation was introduced to Alan by one of our gala committee members while planning for our 2019 American Patriot Gala. We were rapidly approaching the gala date and had not selected an auctioneer. Despite the short suspense, Alan stepped up to the plate and agreed to be our auctioneer. He personally attended our committee meetings and instantly shared his knowledge and skills.

In the planning stage, Alan made recommendations based upon his experience and that he knew worked. He steered us away from things that he knew would not work and did not force his opinion on the group. He allowed the committee to make its decisions based upon facts. He explained completely and in detail how his staff would assist the night of the gala in preparation and execution. I am happy to say that he kept his word and more.

Alan and his staff made the gala fun and entertaining for the audience and I am most happy to say they made it a great success. I know that without Alan and his staff, the gala would not have been the success it was. That is why, I highly recommend Alan and his staff without any hesitation and we are using him for the 2020 gala.

Most Sincerely,

Neftali 'Nef' Rodriguez
