ALAN FRENKEL
AUCTION & REALTY LLC

UP TO 2% BROKER PARTICIPATION PROGRAM

The licensed broker can receive 1% of the successful bid price for registering their prospect on the attached Alan Frenkel Auction & Realty Broker Participation Form 9.03, countersigned by their prospect, a completed agency disclosure along with a copy of the active Florida Real Estate Brokerage's license. This document must be received by Alan Frenkel Auction & Realty at least 48 hours prior to the sale.

A broker **cannot**

1. register himself or herself as a prospect to buy
2. register a member of his/her immediate family
3. be registered by another broker/agent
4. be in any way a party to the purchase.

An affidavit may be required as proof that the Broker/Agent is serving only as Broke/Agent and not as a principal. The broker must accompany the prospective bidder at the auction and can only represent one (1) party in order to avoid conflict of interest. Nothing, however, shall preclude several agents from one office in participating with several bidders. Extreme caution should be exercised not to share confidential bidder information.

The licensed broker can increase his/her fee to a maximum of 2% of the successful bid price if the prospect's registration includes an opening bid statement that equals 70% of the eventual contracted selling price. Opening bid statements will be accepted until 48 hours prior to the auction.

If the prospects were generated through the efforts and marketing campaign of Alan Frenkel Auction & Realty, and has had conversation with any employee of Alan Frenkel Auction & Realty regarding the subject property prior to signed registration, then no fee will be paid to the referring broker. Subsequent to registration, the prospect can call directly to Alan Frenkel Auction & Realty as frequently as desired without affecting the status of registration.

All broker participation fees shall be owed and subsequently paid upon closing.
